DETAILED ACTION

Response to Amendment

The reply filed on 27 September 2004 to the office action mailed on 22 June 2004 is not fully responsive to the prior Office Action because amended claims is directed to an invention that is independent or distinct from the invention originally claimed for the following reasons:

The claims has changed the scope of the invention from the method of facilitating an exchange of information among plurality of entities. The amended claims receives the purchase request from merchant server, forwards the purchase request to transaction privacy clearing house (TCPH), identifying merchant who can fulfill purchase request, establish link for exchange of user discount without interaction of the user. The claims originally filed does not claim TCPH server, user discount.

Since the applicant has received an action on merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. See 37 CFR 1.142(b) and MPEP 821.03.

If the examiner wishes to further prosecute the newly presented claim/invention, the examiner suggest the filing of a continuation.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to
